Full Bio

Dr. Nomi Prins, PhD, is a macroeconomist, geopolitical financial expert, and bestselling author. She is the founder of Prinsights Global, an independent research firm focused on macroeconomic trends and strategic investment analysis. Its flagship publication, Prinsights Pulse, provides actionable insights for investors and policymakers.

Nomi previously held senior positions on Wall Street, including Managing Director at Goldman Sachs, Senior Managing Director at Bear Stearns in London, Strategist at Lehman Brothers, and Analyst at Chase Manhattan Bank.

She has testified before the U.S. Senate and advises both U.S. and international government officials on finance, economics, infrastructure, and energy development. She serves on the board of Meteoric Resources, a rare earth elements mining company, and on the advisory boards for the National Infrastructure Bank and Ethical Markets.

Nomi is the author of seven books, including *Permanent Distortion*, *Collusion*, *All the Presidents' Bankers*, and *It Takes a Pillage*. Her writing has appeared in outlets such as *Fortune*, *Forbes*, *The Guardian*, *The New York Times*, and *The Nation*. She is a regular guest on major outlets such as CNBC, Bloomberg, Fox, BBC, and other global media platforms.

She holds a B.S. in Mathematics from SUNY, an M.S. in Statistics and Operations Research from NYU, and a PhD in International Strategic Studies with a specialization in International Political Economy from the Federal University of Rio Grande do Sul, Brazil.
